Training Courses 2010

Derwent Reservoir Sailing Club is a recognised RYA Training Centre, regularly inspected to ensure a high level of competence.

The sailing club is situated south of Hexham near Blanchland and is well signposted from the A68 and the B6306 Edmundbyers Road.

The format of each course is a mixture of practical and theory, very much dependent on the weather, with as much time as possible spent on the water.

You will find it great fun.

Courses are open to members, non-members, groups, schools and other organisations
